

# **SOUTH CAMBS USERS FORUM**

The voice for users and ex-users of mental health services in South Cambridgeshire

## **SCUF Care Plan Questionnaire**

**SCUF** is a user-led forum representing mental health service users in Cambridge City and South Cambs. Our aim is to increase understanding and awareness of mental health issues and to have a positive influence on policy and provision.

**We have become aware of a number of local service users on the Care Programme Approach (CPA) who have still not seen and/or received their Care Plan. We would like to find out whether there are other service users who have had similar problems and report our findings to the local Mental Health Trust.**

If you receive on-going support from a mental health professional other than your GP, such as a CPN, support worker, psychiatrist, social worker, etc., SCUF would be very grateful if you could complete the questionnaire below, returning it to Lifecraft or the next SCUF meeting (held on Thursday 1<sup>st</sup> February, 5pm for 5.30pm at the Wesley Church in Cambridge). Alternatively, you could email your response to [amanda@lifecraft.org.uk](mailto:amanda@lifecraft.org.uk) or speak to **Amanda** at Lifecraft on: (01223) 566957

With much thanks from,

**Amanda Price**, Lifecraft Campaigns Officer and SCUF Facilitator  
**On behalf of SCUF**
